

TIAN TIAN

Personal statement

Passionate and self-driven final-year PhD candidate in Applied Mathematics (Operations Research) at Universiti Putra Malaysia, specializing in artificial intelligence, predictive analytics, intelligent decision-making, and multi-objective optimization for revenue management. My research integrates machine learning, occupancy forecasting, dynamic pricing, and optimization algorithms to develop data-driven decision-support systems for real-world operational environments. I am expected to complete all academic requirements by **August 2026** and officially graduate in **October 2026**.

Education

2023-current Doctor of Philosophy at Universiti Putra Malaysia
2022 Data Analytics in Cambridge Judge Business School
2020-2022 Master of Business Administration in Universiti Putra Malaysia
2017-2020 Information Technology in Asia Pacific University of Technology & Innovation (KL) Dual Award Degree with Staffordshire University (UK)

Experience

2025-2026.03 Internship at UnionPay International
2024-2025 Designated Assistant of the Embassy of China in Malaysia
2024-2026 Founder of the Chinese Students Association at UPM
2023-2025 General-secretary of CSSAM
2022-2023 Revenue Manager of Zenith Hotels & Resorts
2013-2017 Founder of Pin-Yan-Huang Brand

Skills

- Proficient in Python, R, PPT, and office Software
- Strong background in student development, cross-cultural communication, and community engagement
- Experienced in data analysis, mathematical modeling, and optimization techniques
- Excellent communication, Leadership, and Good Teamwork

A passionate lady who embraces life and never stops learning!
